

HEM BAR OPTIONS

[Rollstar™ & Sunstar™ Shades]

» Rollstar™ ~ Hem Bar Options

In most cases, the finish at the bottom of a Rollstar shade will depend on the look that is desired.

Rollstar shades offer a variety of hem bar options, providing you with a broad range of looks to complement your shades. The Standard Hem Pocket enclosing a weighted bar to help control your shade is the option we will provide in the absence of a different specification from you.

STANDARD - HEM POCKET
(hem pocket is sealed)

»Sunstar™ ~ Hem Bar Options

In most cases, the finish at the bottom of a Sunstar shade will depend on the look that is desired.

Sunstar shades offer a variety of hem bar options, providing you with a broad range of looks to complement your shades. Unless otherwise specified, the bottom edge will be finished with a round, plain, weighted hem bar.
